Hello Everyone,

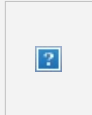

This is Yolanda Regalado from Sirens Java & Tea. On February 11, 2017, we will be celebrating our one year anniversary of Sirens Java & Tea. With the support of San Pedro Chamber of Commerce and PBID, we are planning on having a fundraiser for LAPD (fallen officers unity run) and (LAFD widows and orphan). We want to raise money for these organizations. We will be having " fill LAPD blue boot" and " fill the LAFD fire extinguisher". All monies will go these charities. In collaboration with Officer Nua and Sgt. Plows of LAPD, we plan on having a dunk tank. A \$20.00 donation will give each person two tries to dunk a firefighter or police officer. If they succeed in the dunking, the person will win a shirt or coffee. We want to make this a success and my goal is to bring the community together for a day of love and fill the Boot & Extinguisher. LAFD, will have a CPR booth if anyone wants to learn CPR.

I am asking for your support so that we can purchase items needed to make this a success. A \$500 donation and participation will help with the expenses. All monies not used will be donated. I know this is short notice, but we just received clearance to have it in the parking lot next to Sirens.

Lets make this a great success and I know we can if I have your assistance. As you all know our brothers and sister in blue, tan, and firefighters give so much. Lets show that San Pedro and the City of LA, support our first responders. Lets give back.

I would need to know by February 1, 2017 if you will participate so I can put your logo on our flyers and banners. I will send you an official flyer once I confirm all participates and donors.

If you have any questions, feel free to contact me directly.

My cell number is (323) 842-8411.

Thank you in advance and take care

Yolanda Regalado
